Dear Resident of South Witham

### **Re: Incidents of Criminal Activity and Anti social behaviour in South Witham**

Lincolnshire Police and South Kesteven District Council have recently received an increasing number of complaints of unacceptable behaviour in South Witham.

The issues we are concerned about include;

- damage to vehicles
- burglary and theft
- fire starting/arson incidents
- nuisance and intimidating behaviour
- criminal damage

If you have experienced any problems of this nature you can contact us in confidence on the phone or by email, see below.

With these types of incidents it is often difficult to establish the true scale of the problem, mainly because people do not want to get involved, or feel that it is none of their business.

For any of the above issues we need witnesses and victims to come forward. Please be advised that any evidence can be taken anonymously so no one will be identified and an officer can give the evidence to the court on your behalf.

We can only help if we work together to gather your evidence in the first place.

All reported incidents to the police and local authority whether anonymous or not are recorded and can be used in evidence to support any prosecutions

We are asking for your assistance and if you have any information or are affected by these activities or anti-social behaviour please contact;

- Police on 0300 111 0300
- Neighbourhood Policing Team on 07825 100 356 or 07939 887 565
- A member of the Community Safety Team on 01476 406337 or our freephone number 0800 183 02 79
- Crimestoppers 0800 555111

Yours sincerely from the Community Safety Team and Grantham South Rural Neighbourhood Policing Team
